

# SATHYAPRIYA.A

**Address:**

24A,4 in 1 Apartment, Ramani's Mayuri Layout, Saravanampatti, Coimbatore -641049

**Mobile:**

+91-9688866884

**Email:**

[arsathya15@gmail.com](mailto:arsathya15@gmail.com)

## Summary

---

Resourceful **Full-Stack Web Developer** with solid hands-on experience, gained through intensive training. Skilled in building responsive user-focused applications with **HTML5, CSS/Sass, JavaScript, React, Node.js, and Express**. Adept at translating design concepts into clean, standards-compliant code and collaborating effectively within agile teams. Committed to delivering high-quality solutions that elevate user experience and meet business goals.

## Skill Highlights

---

- **Front-end Technologies:** HTML5, CSS, SASS, JavaScript, React.js
- **Back-end Technologies:** Node.js, Express.js
- **Databases:** MongoDB
- **Frameworks & Libraries:** Bootstrap, MongoDB.
- **Version Control:** Git, GitHub.
- **Design Principles:**
  - **Responsive Design:**(Media Queries, Flexbox, Grid).
  - Basic UI/UX Understanding.

## Experience

---

**Trainee- Full Stack Web Development:** Nov-2024 to Present  
**Eureka Training Institute:**

- Gained hands-on experience in full-stack development through structured training and real-world projects.
- Built dynamic and responsive user interfaces using **HTML5, CSS3, Sass, and JavaScript**.
- Developed cross-browser compatible and mobile-friendly layouts, ensuring optimal performance across devices.
- Created and customized UI components using **React.js**, enhancing usability and design consistency.
- Produced clean, semantic code following **W3C standards** and best practices.
- Designed graphics and visual assets for use across web platforms.
- Collaborated with peers in agile teams, contributing to project planning, development, and code reviews.
- Applied **version control (Git & GitHub)** to manage and track project development efficiently.

## Education

---

- **Bachelor Of Science:** Mathematics (CA)- 2017  
**Maharani Arts and Science College**, Dharapuram.
- **Master Of Science:** Mathematics- 2024  
**Maharani Arts and Science College**, Dharapuram.

## Languages

---

English, Tamil.

## Soft skills

---

- Skilled at finding innovative solutions to complex design, coding, and performance challenges.
- Able to manage multiple tasks and meet tight deadlines in dynamic, fast-paced environments.
- Quickly adapts to new frameworks, libraries, and development workflows with ease.
- Passionate about staying updated with the latest trends, tools, and technologies in both front-end and back-end development.
- Focused on enhancing user experience through intuitive, responsive, and accessible design.
- Ensures code quality, UI consistency, and application functionality through meticulous testing and debugging.
- Continuously explores best practices, performance optimizations, and emerging technologies to deliver high-quality solutions.

**Declaration:** I hereby declare that all the information provided above are true and correct to the best of my knowledge and belief.
